

LEAVING CARE

WITH PRIDE

Are you care experienced and LGBTQ+?

Aged 18-25?

Got an hour to spare?

We would love to hear from you!

Teesside University, LGBTQ+ Youth in Care and a team of LGBTQ+ care experienced people are researching the experiences of LGBTQ+ care leavers with the aim of producing gold standard practice guidance.

We would like to speak with 5 people individually for a 1 hour interview.

A £30 voucher and wellbeing support will be provided to each person we speak to
